# How Can We Help You?

S.L. NUSBAUM  
REALTY CO. | SINCE 1906

**Our job is to serve as an advisor and advocate for your specific real estate needs and preferences.**

We approach tenant representation as advisors and advocates – analyzing our client's overall business concerns and developing tactical real estate solutions that achieve financial and operational objectives.

Whether you lease and occupy a single location or a global portfolio of properties, our industrial experts can help you with:

- **Site Selection**
- **Commercial Market Research**
- **Negotiation and Closing**
- **Handle Complex Transactional Details**
- **Strategic Planning**
- **Financial Analysis**
- **Lease Negotiation and Administration**
- **Competitive Analysis**

Our tenant representation services include more than simply locating an available space for your facility. Our advisors will partner with you to identify and align your strategic business, financial, and operational goals to create an integrated supply chain and real estate strategy – one that sets you up for what's next to exceed your business objectives.

Whether we are providing relocation, renewal, consolidation, or sublease services, our team of advisors begins by identifying your long-term strategic goals. Then we apply our research, experience, and analysis skills to ensure you make the right decision for your company.

While the underlying principles might seem straightforward, the benefits of working directly with a tenant representative are significant. Skilled negotiation tactics, detailed research, and in-depth knowledge of the commercial real estate in your market **allow our team to help tenants by guiding the leasing process.**
