How Can We Help You?

S.L. NUSBAUM
REALTY CO. | SINCE 1906

Our job is to serve as an advisor and advocate for your specific real estate needs and preferences.

Whether searching for new space or assistance in renegotiating an existing lease, we will evaluate your real estate requirements and determine the **best course of action based on your specific objectives**. Unlike landlords or listing agents, who represent the property owner, we will focus solely on securing the best possible outcome for your business.

All our services are provided at no cost to you. Landlord pays all associated fees!

What can you expect?

Expert Guidance: With more than a century of experience, we possess the expertise and knowledge to guide you through every step of the leasing process. From market analysis to lease negotiation, we're committed to delivering exceptional service and results.

Personalized Approach: Your business is unique, and so are your office space needs. We take the time to understand your specific requirements, preferences, and objectives, tailoring our services to meet your exact needs and exceed your expectations.

Extensive Market Access: Leveraging our extensive network, industry connections, and market insights, we have access to a wide range of office properties that may not be available through other channels. This gives you access to a broader selection of options to choose from.

Negotiation Power: Our skilled negotiators work tirelessly to secure favorable lease terms on your behalf. Whether it's negotiating rental rates, lease duration, or tenant improvement allowances, we'll ensure you get the best possible deal.

Comprehensive Support: From start to finish, we provide comprehensive support throughout the leasing process and beyond. We want to be your trusted advisor and will be available to assist with your commercial real estate needs and questions even after a lease is signed.

Why Choose SLN?

S.L. NUSBAUM
REALTY CO. | SINCE 1906

We are experts in the field of office leasing.

Class A, B or C properties, medical office, single tenant, multi-tenant, individual suites or entire buildings, we have the expertise to help you find the best fit for your business under the best possible terms.

Needs Assessment: We start by understanding your business' requirements, including your space needs, budget, location preferences, and any specific amenities or features you desire in an office space.

Market Analysis: We conduct thorough research and analysis of the local office market to identify available properties that meet your criteria. This includes evaluating market trends, vacancy rates, rental rates, and other factors influencing the market.

Property Search: Based on your company's needs and a market analysis, our team will identify potential office properties that align with your objectives. We will leverage our network, industry connections, and market knowledge to uncover suitable options, both on and off-market

Property Tours: We will arrange property tours for you to view space options in person and will provide insight and guidance on each property's suitability, including potential advantages and drawbacks.

Lease Negotiation: Once you have chosen a preferred office space, we will take the lead in negotiating lease terms with the landlord or landlord's representative. This includes negotiating rental rates, lease duration, tenant improvement allowances, renewal options, and other lease terms.

Market Insight and Advice: Through our tried-and-true methodology and expertise, we will provide valuable market insight and strategic advice to help ensure you are making informed decisions throughout the entire leasing process, including evaluating different options, understanding market trends, and assessing potential risks and opportunities.

We are here for YOU before, during and after the leasing process.
